

**Christine Feuell**

Brand Chief Executive Officer  
Chrysler

Christine Feuell was appointed Brand Chief Executive Officer for Chrysler and a member of Stellantis' Top Executive Team in September 2021.

Prior to joining Stellantis, she was Chief Commercial Officer at Honeywell Safety and Productivity Solutions.

Christine is a well-recognized senior marketing executive with extensive experience in automotive, omni-channel supply chain automation systems and smart building technologies industries.

During her career, she has achieved progressive responsibilities in Sales, Marketing, Product Management and P&L Leadership at Ford Motor Company, Johnson Controls and Honeywell, with a strong track record of delivering profitable growth through integrated products, software and services.

Christine has a degree in Marketing and Economics from Michigan State University.
